Love the outdoors? We're looking for enthusiastic Senior Rangers (Compliance) to play a leadership role in the care for Belmont Wetlands State Park and Campground Operations. You'll lead and support a small team, ensure visitor compliance, maintain natural areas, and engage with visitors to keep the park safe, clean, and welcoming.

### **What You'll Do**

- Enforce Parks rules and regulations
- Assist in the operations of a campground
- Carry out conservation and maintenance work
- Supervise junior staff and volunteers
- Assist with fire management and revegetation projects

### **About You**

- Confident communicator with compliance or visitor engagement experience
- Experience in conservation, land management, or park operations
- Driver's licence, First Aid, WWCC required
- Able to work afternoons and weekends and be able to perform all physical elements of the role

Join a supportive team working in one of the region's most stunning natural environments — where every shift helps protect something special.
